

# Art Legacy - Bringing Art to Life

---

## For iPad, iPhone, Mac and Apple TV

Art Legacy is an original and immersive way to see a painting. It's also part magic.

December 2015 - LANDKA® announces the upcoming app Art Legacy, a new way to experience art. Art Legacy creates a sense of depth inside each painting, bringing realism and vitality to over 100 of the world's famous masterpieces. The user can interact with a painting and actually see it in motion with a sense of perspective. Art becomes closer and alive.

From the earliest times to the latest modern paintings, works are displayed chronologically, with a contextual timeline about the artist's life. Each artwork is given a social and historical description, and several interesting details and curious facts, making Art Legacy a valuable tool in the study and understanding of Art.

Art Legacy is perfect not only for Art students and connoisseurs, but also for anyone who wishes to explore the fascinating history of the Fine Arts.
